ANNOUNCEMENTS

- DP&LU Computer has Pine Valley listed as a Central Mountain Moratorium. Staff stated there is a waiver process.

5. PRESENTATION FROM THE FLOOR ON NON-AGENDA ITEMS – None

- Bob Smith contacted County regarding Pine Creek Road pavement condition and guardrail near the bridge. DPW responded that raising the guardrail height would narrow the road. They would have to blast away the rock to widen the road. Upgrading the road with a bridge would be too costly and has been pushed back due to budget problems.. They did some patch work on sections but have no short term plans for additional repairs.
